OFFICIAL WARNING
NOTICE OF ALLEGED VIOLATION

Re: Reference number (b) (6), (b) (7)(C)

Dear Sir or Madam:

We believe that you failed to comply with the Animal Welfare Act (7 U.S.C. § 2131 et seq.) (AWA), and its implementing regulations, as described in the attached Official Warning. Our agency, the Animal and Plant Health Inspection Service (APHIS), is responsible for enforcing the AWA, and regulations and other agriculture laws that help prevent the spread of animal and plant pests and diseases, and ensure the welfare of animals.

After providing you with an opportunity for a hearing, we may pursue civil penalties of up to \$10,000, or other sanctions, for each alleged violation described in this Official Warning. Although we have authority to pursue penalties for this type of alleged violation(s), we have decided not to pursue penalties in this instance so long as you comply, in the future, with the AWA and regulations.

What happens if I do not comply in the future? If you fail to comply in the future, we may pursue criminal penalties, or we may pursue civil penalties for the alleged violations described in this Official Warning, in addition to any penalties we may pursue for any future violations.

What should I do if I have questions? If you have any questions concerning this Official Warning, contact Jennifer Jones at (301) 851-2780 or call our main office at (301) 851-2948.

I am a small business owner and have comments or concerns regarding APHIS's enforcement of animal and plant health laws. Who should I contact?
If you have comments about APHIS's enforcement of animal and plant health laws, please contact me, Steven M. Bennett, the APHIS Small Business Ombudsperson, at (301) 851-2948. If you prefer to comment to someone outside APHIS, contact the Small Business Regulatory Enforcement Ombudsperson at <http://sba.gov/ombudsman>, email ombudsman@sba.gov, or 1-888-REG-FAIR. The Ombudsperson's office receives comments and annually evaluates federal agency enforcement activities for their responsiveness to the special needs of small businesses.

Sincerely,

Steven M. Bennett, Director
Investigative and Enforcement Services
