24-04961-F_000001

1) Commercial flock or herd. This includes all commercial flocks or herds, regardless of size, located in the state or territory. It also includes flocks or herds located in the state or territory that are part of a larger flock or herd located outside the state or territory. It does not include flocks or herds located in the state or territory that are part of a larger flock or herd located outside the state or territory.

2) Approximate number of birds in the flock or herd.

3) Approximate number of birds in the flock or herd.

4) Approximate indemnity amount per bird.

5) Approximate date of release.

6) Notes: WOAH = World Organization for Animal Health, C02 = carbon dioxide, VSD = Veterinary Services Division, Farn = Farnsworth, KEDS = Kill Emergency Disposal System, Rain = rainwater.
